SIR,

War Department, Horse Guards, 1st July, 1856

WITH reference to the Circular Letter from this Department of the 1st January last, No. 1216, granting to the 30th ultimo, a commuted allowance of Three halfpence in South Britain, and One penny per diem in North Britain and Ireland in aid of the supply of Bread and Meat to Non-Commissioned Officers and Privates employed on the Recruiting Service, when not on a march, or when in other situations which would disqualify them from drawing Rations, I am directed by the Secretary of State for War to acquaint you that the issue of the said allowance under the circumstances stated may be continued to the 31st December next.

I have the honor to be, Sir,

To Inspecting Field Officers of Re-
cruiting Districts, Commanding
Officers of Regiments, &c. &c.

Your obedient Servant,
B. HAWES.

CIRCULAR. No. 1233 B.

(APPLICABLE ONLY TO REGIMENTS IN THE EAST INDIES.)

SIR,

War Department, Horse Guards, 7th July, 1856.

IT having been determined that the Cash responsibility connected with the payment for compensation and incidental expenses connected with Clothing, and for the repair of Saddlery, hitherto vested in Quartermasters, should in future devolve upon Paymasters of Regiments and Depots, the duties of the Quartermasters being confined to the management of the Clothing transactions, I am directed to acquaint you that the Quarterly Clothing Account is to be rendered through you to the Director-General of Clothing, with a memorandum attached, notifying that you are fully aware of its bearing with reference to your own responsibility for the advances which you will hereafter be authorized to make from the sums deposited in your hands for remittance to this Country; or, if necessary, from the Casualty Returns.

The amount of such Advances is to be deducted from the total of the Remittance Returns, and, upon the Contingent Account for each Quarter being examined at the War Department, a notification will be made upon W. D. Form, No. 1020 B, to the Commanding Officer, declaring the amount allowed thereon. The said amount will be passed to your credit in

the books of this Department, in which the Advances shown by the Remittance Returns will be duly charged to your Account.

I am to add, that such advances will be authorized upon Estimates of the Amount (excluding shillings and pence) expected to come in course of payment in each Quarter, to be prepared in the Form herewith,* a copy of which is to be forwarded to the Director-General of Clothing, War Department, Pall Mall.

I am, Sir, your obedient Servant,

B. HAWES.

To Paymasters
of Regiments in India.

* W. D. Form, No. 1019 b.

SIR,

Horse Guards, 12th July, 1856.

It having been found desirable when Militia Regiments are moved into a permanent Camp, whether under Canvass or in Huts, to allow the Serjeants of the permanent Staff to be accompanied by their Wives, the Field Marshal Commanding in Chief has been pleased to direct, with the concurrence of the Secretary of State for War, that in such cases the Wives of Two Serjeants per Company, and of Three Staff Serjeants per Regiment in Corps whose establishment exceeds Four Companies, and of Two Staff Serjeants in Corps consisting of Four Companies and less, may be provided with accommodation in Camp with their Husbands.

The following are the Staff Serjeants alluded to viz. :—

Serjeant Major.

Quarter Master Serjeant.

Paymaster Serjeant.

This boon having been accorded to the Militia, the Field Marshal grants a similar indulgence to Regiments of the Regular Force under similar circumstances, but it is to be clearly understood that on a Regiment moving for active Field Service, whether at Home or Abroad, no women at all are to accompany it.

In the case first mentioned, of going into a permanent Camp, the remaining Wives of the number of men at present allowed by Regulation to be married will receive Lodging Money, at the rates hitherto granted to their Husbands when living out of Barracks, under the usual Regulations, with an Allowance in lieu of Half Rations for themselves and Quarter Rations for their children, provided they remain at the place from which the Regiment was moved into Camp.

The Wives of all men legally married, and their children, will, in this case, be entitled to the allowances in lieu of Half and Quarter Rations, but not to the Lodging Money above referred to.

In the latter case, of a Regiment moving for active Field Service, the whole of the women legally married, with their children, will be sent to their Parishes at the public expense, and will cease to receive any public allowance.

I have the honour to be, Sir,

Your most obedient humble Servant,

RICHARD AIREY,

Officer Commanding,

Quartermaster General.

SIR,

War Department, Horse Guards, 15th July, 1856.

THE subject of providing for the Wives and Children of Soldiers of the Regular Army not permitted to accompany the Regiments into permanent Camps at Home having been brought under the consideration of the Secretary of State for War, I am directed by his Lordship to acquaint you that, in the event of the Regiment under your Command proceeding to any of the Camps, Lodging Allowance at Twopence per diem will be granted to each Soldier's Wife, within the regulated number permitted to reside in Barracks, who shall not proceed to the Camp; and that, in addition thereto, allowances in lieu of Half Rations may also be charged by the Regimental Paymaster of Threepence a day for every such Soldier's Wife, and Threehalfpence a day in lieu of Quarter Rations for each of their Children, provided they remain at the place from which the Regiment was moved into Camp.

I have to add, that the above allowances may be continued so long as the Husbands and Fathers of the Women and Children remain in the Camp, and the latter receive no accommodation whatever therein; and under the same restrictions the allowances in lieu of Half and Quarter Rations may be extended to all Women legally married, and their legitimate Children, although above the regulated number, but not the Lodging Money above alluded to, which is strictly to be confined to the prescribed number allowed to live in Barracks.

I have the honour to be, Sir,

Your obedient Servant,

To Officers Commanding Regiments,

GENERAL ORDER. No. 674.

Horse Guards, 16th July, 1856

HIS Royal Highness the General Commanding in Chief having been pleased to appoint Major General Sir Charles Yorke, K.C.B., to be his Military Secretary, His Royal Highness desires that the Correspondence of the Army may be addressed to that Officer, conformably to Her Majesty's Regulations (date of appointment, 15th July, 1856).

By Order of His Royal Highness

THE GENERAL COMMANDING-IN-CHIEF;

G. A. WETHERALL,

Adjutant-General.

SIR,

Horse Guards, 29th July, 1856.

I HAVE the honour to annex, for your information and guidance, copy of a Letter from the War Department, Horse Guards sanctioning a charge for the full amount of Marching Allowance for Soldiers when proceeding by Railway, provided the distance travelled in One Day and Night shall exceed One hundred (100) Miles, or the journey be carried into a late hour of the night, and that the Troops shall not be Billeted at any place on the journey, whereby the Allowance of 10d. for the Hot Meal will become due to the Innkeeper.

SIR,

War Department, 25th July, 1856.

THE Secretary of State for War having had under consideration the proposal contained in your Letter of the 16th instant, that in all cases in which Troops are moved long distances by Railways, and are not Billeted on the way from one Station to another, the full Marching Allowance should be granted, instead of the Allowance of 10d. due under the Mutiny Act to the Innkeepers when Troops are Billeted, I have the honour to acquaint you, for the information of His Royal Highness the General Commanding-in-Chief, that, with the view of expediting the movement of Troops, and at the same time of avoiding the inconveniences of irregularities arising from large bodies of Troops being Billeted for a night in populous places, Lord Panmure is prepared to sanction a charge of the full Marching Allowance for the Soldier, provided the distance travelled in One Day and Night shall exceed One hundred (100) Miles, or the journey be carried into a late hour of the night, and that the Troops shall not be Billeted at any place on the journey, whereby the Allowance of 10d. for the Hot Meal will become due to the Innkeeper.

SIR,

War Department, Horse Guards, 31st July, 1856.

WITH reference to the Circular Letter from this Department, No. 1219, dated 7th February, 1856, sanctioning the issue to the General Staff of the Army at Home of One Shilling per diem instead of Soldier Servants for a further period of six months from the 15th January last, I have the honour, by direction of the Secretary of State for War, to acquaint you that, as the objection to allow Soldier Servants being taken from the Ranks no longer exists, his Lordship has decided that the Allowance in question shall be discontinued from the 1st August, 1856, inclusive.

GENERAL ORDER. No. 676.

Horse Guards, 5th August, 1856.

THE QUEEN, having completed the Review of the Regiments which served in the Army in the East, has commanded His Royal Highness the General Commanding-in-Chief to welcome their return from that arduous service.

Her Majesty has been graciously pleased to express Her admiration of their good order and discipline.

Victorious when opposed to the brave and enterprising enemy with whom it had to contend the Army has earned the gratitude of the Country.

The patient endurance of evils inseparable from war, and an instinctive determination to overcome them, are characteristic of the British Soldier; and the events of the war have proved that those national virtues have not degenerated during a long previous peace.

The Queen deplores the loss of many of Her best officers and bravest men; but History will consecrate the ground before Sevastopol as the grave of Heroes.

By order of His Royal Highness,

THE GENERAL COMMANDING-IN-CHIEF;

G. A. WETHERALL,

Adjutant-General.

GENERAL REGIMENTAL ORDER.

*Adjutant General's Office, Royal Artillery,
Woolwich, 5th August, 1856.*

THE following copy of a communication from the Office of the Accountant General of the War Department, Pall Mall, dated 29th July, 1856, is promulgated to the Royal Artillery and Officers of the Regiment generally, as well as those commanding Troops, Companies and Detachments, are enjoined to give their earnest attention to the directions on the subject of accounting for supplies of Bread, Meat and Forage, as laid down in the Regimental Circulars from this Office of the dates and numbers given below :—

6th March, 1856.—No. 161.

2nd May, 1856.—No. 177.

15th May, 1856.—No. 183.

And also in the Instructions dated War Department, Pall Mall, 29th May, 1856, and the Letter hereto appended, in order to remove, as far as possible, the delay and inconvenience arising to the War Department by the non-transmission of the vouchers at the period, and made up in the manner, required.

By Command.

H. PALLISER,

Assistant-Adjutant-General.

(COPY.)

SIR,

Accountant General's Office, 29th July, 1856.

1. CONSIDERABLE delay and inconvenience having arisen in this Office, by the non-transmission at the time fixed (by the Regimental Circulars, Nos. 177 and 183, dated respectively the 2nd and 15th May, 1856; by the Circular, No. 1227, dated Horse Guards, 21st of the same month, and the Instructions from this Office of the 29th,) of the Bread, Meat, Forage, Oats and Billet returns of the Royal Artillery in Great Britain and the Channel Islands, and in some instances by the very unsatisfactory manner in which such returns, when received, were made up, I have the honor to request you will have the goodness to cause a further Regimental Circular to be immediately prepared and circulated, calling the attention of Officers commanding in Great Britain and the Channel Islands to the aforesaid Circular and Instructions, and requesting that from the present month inclusive these documents may be made up and furnished in the manner and at the time pointed out therein, adding, that in the case of the Bread and Meat returns, one account only in duplicate for each Company, Troop or Adjutant's Detachment should be rendered, and that this Return should contain the issues to all the Men of such Company, Troop or Adjutant's Detachment, whether those Men are rationed at one or several Stations, giving in each case the total supplies within each county, and furnishing the Contractor for the county at the same time with a receipt for such gross supplies, signed by the Officer commanding such Company, Troop or Adjutant's Detachment: and further, that in the case of the Forage Returns and Diaries, a reference should be invariably made where Horses are struck off or brought on to the Diary on which they next appear or from which

they were struck off, by giving the official number of that diary, whether 61, 62 or 63, and the place at which the Ration was last or next issued, instead of the course hitherto pursued in many cases of marking them off from one Barrack Diary to another, without regarding the intermediate march.

2. In the cases of Horses of Officers of the Horse Brigade being included in Diary 62 or 63, the names and rank of such Officers, with the number of Horses belonging to each, should be shown in the column of remarks. Of Horses being left behind on a march sick, or having preceded the Company or Troop as a billeting party, the Diaries and Billet Account for the same should accompany the other returns, and in no case should Forage be drawn at a Barrack Station for the day on which such Horses are struck off on the march, but the supply of Oats should be obtained from the Contractor for Oats in quarters, as per Diary 62, or purchased in his default, as per Diary 63, and the Hay and Straw from the Innkeeper finding stabling for the night, as per Billet Form, War Department, O., 349.

3. In all cases of purchases of Oats in quarters in the Contractor's default, the Diary 63 should be invariably used and supported by the requisition and receipt, Form 60, substituting the name of the Seller for that of the Contractor; and in all claims for Billets, a charge of 3d. and not 9d. should be made on the public in respect of each Officer's Horse of the Horse Brigade; and the Officer in command at the Station at which Horses may join on a march should be specially instructed to see that the Marching Diaries and Billet Accounts of Horses so joining are correctly made up as above, and transmitted with his Barrack Diary 61 at the latest by the 3rd of the month following that in which the supplies may have been drawn.

4. The supplies for England and Ireland are never to be blended together in one and the same Return, and Officers or Non-commissioned Officers in charge of Horses on the march should, as soon as the first day's march is past, inform the Officer, who will certify the Barrack Diary 61, whence they came, in what particular Diary, whether 62 or 63, and what particular place they first drew Oats and were Billeted.

I have the honour to be, Sir,

Your obedient Servant,

The Assistant-Adjutant-General,
Royal Artillery, Woolwich.

HENRY SMITH,
Accountant-General.

GENERAL REGIMENTAL ORDER.

*Adjutant General's Office, Royal Artillery,
Woolwich, 6th August, 1856.*

THE Secretary of State for War having decided, by letter dated War Department, Pall Mall, 29th July, 1856, $\frac{Z}{2616}$, that all extra Rations to Artillery Horses shall be immediately discontinued, with the following exception, viz:—

“In the case of Draught Troop Horses in Barracks or Camp in England, necessarily subjected to long, continuous and heavy Field Day Work, and thereby prevented from resting and feeding at the usual hours:”

The same is notified for the information and guidance of the Regiment generally; and the Order of the late Board of Ordnance, dated 12th March, 1855, ^S/₉₁₆, promulgated by the General Regimental Order of the 16th of the same month, is therefore cancelled.

Commanding Officers who, subsequent to the receipt of this Order, authorize the issue of the extra Ration of 4 lbs. of Oats and 4 lbs. of Hay per Draught Troop Horse, are to certify to the fact in the Forage Diaries in the following words:—"I certify that _____ extra Rations, each consisting of 4 lbs. of Oats and 4 lbs. of Hay, have been issued during the month of _____, 185—, to *Draught Troop Horses* of the _____ Artillery under my command at _____, necessarily subjected to long, continuous and heavy Field Day work, and thereby prevented from resting and feeding at the usual hours, agreeably to the Order of the Secretary of State for War, dated 29th July, 1856, ^Z/₂₆₁₆."

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force :

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The Intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

CAPTAIN CHARLES JOHN HENRY (late of Straffan), Cheltenham.
REV. W. DOUGLAS VEITCH, M.A., Devonshire Terrace Hyde, Park.
JOHN ALEXANDER WATT, Esq., Barnes.

It has been represented to this Company, that a young Officer is often under the necessity of declining his promotion *by purchase* for want of the sum, which, by Her Majesty's regulations, should be forthcoming to secure it.

This Company have, therefore, adopted the following plan for amassing it by degrees, and guaranteeing its payment, *whenever it may be required*, to those who are prudent enough to subscribe by half-yearly payments a certain sum, for the purpose of placing their purchase-money beyond a doubt.

The PHENIX LIFE ASSURANCE COMPANY only propose to assist young Officers to purchase their Lieutenancy, Troop or Company.

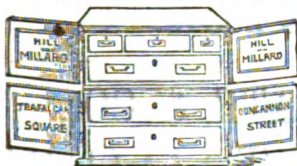

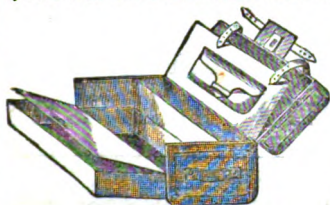

They calculate that an Ensign or Cornet will obtain his Lieutenancy in three years. He (the future purchaser) would therefore have to pay to the Company half-yearly in advance for three years a certain sum, and at the end of that period the amount of £250 or £350 (according to his branch of the Service) would be at his disposal to purchase the step of Lieutenant. These half-yearly payments would amount to £40 : 15s. 10d. for a Lieutenancy of Infantry; £57 : 2s. 2d. for a Lieutenancy of Cavalry.

This, of course, would be nothing more than keeping the money at interest for the young Officer; but the advantage proposed is this. Supposing the step happens to offer itself at any period after thirteen months shall have expired, this Company are bound to pay the money at once, the Officer giving security that the remainder of his Six Half-yearly payments shall be duly made as originally agreed upon, at the same time assuring his Life for the amount, which he can drop if he pleases when the money is paid off. Should the Officer, however, quit the service or die before his turn for purchase arrives, the full amounts he has paid in will be instantly returned to him or to his heirs.

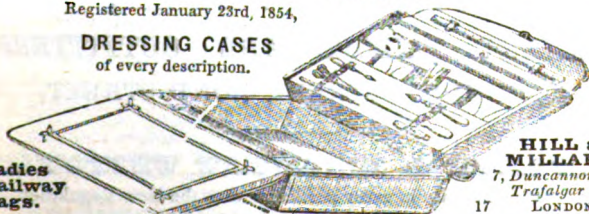

A young Subaltern may assure the purchase-money of his Troop or Company in the same way. The period calculated upon for this promotion is seven years; but the money would be advanced by the Company at any period after three years' payments; the condition and terms being precisely the same as those laid down in the case of a Lieutenancy; the rate being £131 : 7s. 2d. half-yearly for a Troop of Cavalry; £70 : 19s. for a Company of Infantry.

More ample details will be given on application (personal or in writing) to the Chief Office, No. 1, Leadenhall Street, London.

# BANK OF DEPOSIT,

No. 3, PALL MALL EAST, LONDON.

ESTABLISHED A.D. 1844.

CAPITAL STOCK £500,000.

THIS Association is composed of two distinct and separate branches : the one comprising the business of a BANK OF DEPOSIT for the Investment of Capital; the other, the ordinary transactions of LIFE ASSURANCE.

## BANKING DEPARTMENT.

The object of this Department is to afford a safe and easy mode of Investment, and to effect important improvements in the present system of Monetary economy, both as regards the security afforded to the Public, and the rate of Interest realized.

The plan of the Bank of Deposit differs materially from that of ordinary Banks, in the mode of investing Capital. Ultimate profit and security being the main objects regarded, the Board of Management principally employ their Funds in Loans upon vested Life Interests, and other similar securities, and in the purchase of well secured Reversions, a class of securities, which, although not immediately convertible, it is well known yields the greatest amount of profit, combined with the most perfect safety.

## RATE OF INTEREST.

*The present rate of Interest is Five per cent. per annum, payable half-yearly; and the Board of Management confidently anticipate that a careful and judicious selection from securities of the above description will enable them to continue this rate to the Depositors.*

## INVESTMENT ACCOUNTS.

Money is received daily between the hours of TEN and FOUR o'clock. Investment Accounts may be opened with Capital of any amount, and increased from time to time, at the convenience of Depositors.

A Stock Voucher, signed by Two Directors, is given for each Sum deposited.

## INTEREST.

The INTEREST is payable in JANUARY and JULY, and, for the convenience of parties residing at a distance, may be received at the Branch Offices, or through Country Bankers, without expense.

PETER MORRISON, *Managing Director.*

**The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force :**

## **Regulations respecting Foreign Orders.**

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

## **Regulations respecting Foreign Medals.**

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

JOHN ALEXANDER WATT, Esq., Barnes.

It has been represented to this Company, that a young Officer is often under the necessity of declining his promotion *by purchase* for want of the sum, which, by Her Majesty's regulations, should be forthcoming to secure it.

This Company have, therefore, adopted the following plan for amassing it by degrees, and guaranteeing its payment, *whenever it may be required*, to those who are prudent enough to subscribe by half-yearly payments a certain sum, for the purpose of placing their purchase-money beyond a doubt.

The PHŒNIX LIFE ASSURANCE COMPANY only propose to assist young Officers to purchase their Lieutenantcy, Troop or Company.

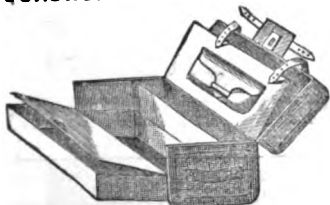

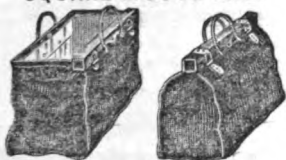

They calculate that an Ensign or Cornet will obtain his Lieutenantcy in three years. He (the future purchaser) would therefore have to pay to the Company half-yearly in advance for three years a certain sum, and at the end of that period the amount of £250 or £350 (according to his branch of the Service) would be at his disposal to purchase the step of Lieutenant. These half-yearly payments would amount to £40 : 15s. 10d. for a Lieutenantcy of Infantry; £57 : 2s. 2d. for a Lieutenantcy of Cavalry.

This, of course, would be nothing more than keeping the money at interest for the young Officer; but the advantage proposed is this. Supposing the step happens to offer itself at any period after thirteen months shall have expired, this Company are bound to pay the money at once, the Officer giving security that the remainder of his Six Half-yearly payments shall be duly made as originally agreed upon, at the same time assuring his Life for the amount, which he can drop if he pleases when the money is paid off. Should the Officer, however, quit the service or die before his turn for purchase arrives, the full amounts he has paid in will be instantly returned to him or to his heirs.

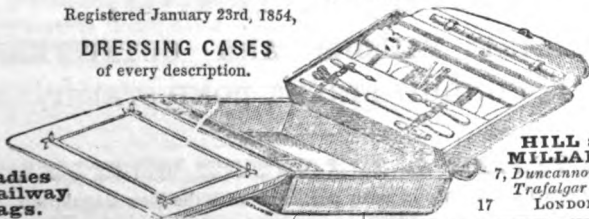

A young Subaltern may assure the purchase-money of his Troop or Company in the same way. The period calculated upon for this promotion is seven years; but the money would be advanced by the Company at any period after three years' payments; the condition and terms being precisely the same as those laid down in the case of a Lieutenantcy; the rate being £131 : 7s. 2d. half-yearly for a Troop of Cavalry; £70 : 19s. for a Company of Infantry.

More ample details will be given on application (personal or in writing) to the Chief Office, No. 1, Leadenhall Street, London.

SECRETARY.

# BANK OF DEPOSIT,

No. 3, PALL MALL EAST, LONDON.

ESTABLISHED A.D. 1844.

CAPITAL STOCK £500,000.

THIS Association is composed of two distinct and separate branches : the one comprising the business of a BANK OF DEPOSIT for the Investment of Capital; the other, the ordinary transactions of LIFE ASSURANCE.

## BANKING DEPARTMENT.

The object of this Department is to afford a safe and easy mode of Investment, and to effect important improvements in the present system of Monetary economy, both as regards the security afforded to the Public, and the rate of Interest realized.

The plan of the Bank of Deposit differs materially from that of ordinary Banks, in the mode of investing Capital. Ultimate profit and security being the main objects regarded, the Board of Management principally employ their Funds in Loans upon vested Life Interests, and other similar securities, and in the purchase of well secured Reversions, a class of securities, which, although not immediately convertible, it is well known yields the greatest amount of profit, combined with the most perfect safety.

## RATE OF INTEREST.

*The present rate of Interest is Five per cent. per annum, payable half-yearly; and the Board of Management confidently anticipate that a careful and judicious selection from securities of the above description will enable them to continue this rate to the Depositors.*

## INVESTMENT ACCOUNTS.

Money is received daily between the hours of TEN and FOUR o'clock. Investment Accounts may be opened with Capital of any amount, and increased from time to time, at the convenience of Depositors.

A Stock Voucher, signed by Two Directors, is given for each Sum deposited.

## INTEREST.

The INTEREST is payable in JANUARY and JULY, and, for the convenience of parties residing at a distance, may be received at the Branch Offices, or through Country Bankers, without expense.

PETER MORRISON, *Managing Director.*

Prospectuses and Forms for opening Accounts sent free on application.
